WATER..... AS PURE AS IT COMES

Our Technology

Every Water To Go location is equipped with a 12-Stage Pure & Fresh Water Purification System®, which produces the highest quality drinking water available. Our unique purification system eliminates minerals and other agents that affect the taste and healthfulness of water. Our water

surpasses all FDA water purification requirements, ensuring that we provide you with the purest and best-tasting water you can buy. Our system eliminates nearly 100 percent of agents that affect the taste and healthfulness of drinking water, including bacteria, lead and pesticides.

Did you know?

At Water To Go®, our customer service can't be beat! Our Water To Go store offers the highest level of customer service and convenience. We fill your bottles right in front of you and even carry it out to your car.

Water To Go® is a proud member of the International Bottled Water Association.

ABOUT WATER TO GO.....AS PURE AS IT COMES
